PAUL R. LePAGE  
Governor

RICHARD W. ROSEN  
Director

June 3, 2011

Mr. Jonathan Roy

The Inn of Acadia, LLC  
384 St. Thomas Street  
Madawaska, ME, 04756

ME-IGR#: 244412

Project: ENERGY EFFICIENCY PROJECT- REPLACEMENT OF WINDOWS, DOORS, ROOF INSULATION AND HVAC SYSTEMS  
Location: 384 St. Thomas Street, Madawaska, ME

This is to certify that the above referenced application underwent Intergovernmental Review in compliance with Federal Executive Order # 12372 and 5 MRSA Subsection 3305 Subsection S1 (J.K.).

Even though this proposal has undergone the Intergovernmental Review process, the applicant is still responsible for meeting the requirements of all other federal, state or local laws and authorities applicable to the proposed project. All proposals involving construction should obtain an advisory opinion from the Maine Department of Environmental Protection (207-287-7688) or, if the project is located within an unorganized territory, the Land Use Regulation Commission (207-624-8551) prior to initiating construction activity.

Sincerely,

Amanda Rector  
Review Coordinator
